ABOUT JIMTOWN

Welcome to Jimtown Store, a Sonoma County landmark since 1895. Founder Jim Patrick opened his eponymous general store to serve the community as a post office, and meeting place. Current owner Carrie Brown and her family have continued the tradition of providing generous hospitality for locals, tourists and cyclists for over 25 years.

Our food reflects our sense of place, we honor local farming by using sustainable home-grown, California ingredients.

Feel free to browse our collection of local pantry and house-made foods, housewares, toys, books, candy and antiques. Your server can add items you wish to purchase to your bill.
